Memo No. LM/93/2019-LIC-LM

Date.03.07.2020

Sub:- Licenses – Legal Metrology Department – EoDB Business reforms – Introduction of Auto-renewal for Registrations (Licences) under Legal Metrology Act, 2009 – Certain instructions issued – Reg.

Ref:-1. Letter dated 17th May 2020 from Ministry of Finance (PF-State Division), Govt. of India on Additional borrowing of 2% of GSDP in the state in 2020-21 subject to implementation of state level reforms.

2. Minutes of the Meeting on DBRAP reforms held on 09-06-2020 by the Special Chief Secretary of Industries & Commerce Dept.,

** *** **

Attention of all the Legal Metrology Officers of the state is invited, wherein the Ministry of Finance, Govt. of India, has proposed certain new reforms for allowing states to access additional borrowing, vide reference 1^a cited. In view of the same, to enable conducive business environment in the state, it is intended by this department to introduce certain business reforms to simplify various renewal processes.

Therefore, in order to eliminate the hassles of yearly renewals, it is decided to switch over to the system of Auto-renewal for registrations(Licences) under the Legal Metrology Act, 2009

As a part of the Auto-renewal system, the licensee can renew the term of registration (Licence) certificate by another year by payment of required renewal fee. There is no need to undergo renewal process and the Auto-renewal will be done in a transparent online& automatic manner.

As this new Business Reform shall come into effect from 01-08-2020, the auto-renewal system will come in to force in the Department from 01-08-2020, positively.

Detailed guidelines for ensuring the compliance of the provisions of the Legal Metrology Act & Rules by the Licensees and procedure for the auto-renewal process will be communicated later.

Hence, all the JCs & DCs in the state are instructed to spread awareness among the licensees about auto renewal process.
